

# 2017 Fabulous 50 To SEXY at 60

Fabulous 50 to Sexy at 60 is designed to bring physicians and the community together in dialogue about cancer and other diseases. In 2017, 50 Hoops opened new doors for partnerships.

## *Cleveland Advisory Team*

**Rasheeda Larkin** is a Program Manager for the Government & Community Relations Department at Cleveland Clinic. She focuses on improving the overall well being of the residents in the communities she serves by positively “moving the dial” on advocacy and policy, healthy lifestyles, economic vitality and education. Some of her focuses include chronic disease management, screening/prevention, infant mortality and access to care. She envisions herself as a “social engineer” where she has the opportunity to inspire and influence wellness across Northeast Ohio.

**Aqeel Seals** is a program manager in Community outreach of Cleveland Clinic’s Taussig Cancer Institute. He provides infrastructure for prostate and colon cancer programs in areas that have been identified as underserved in health access and screening opportunities. Our goal in community outreach is to decrease late stage disease presentation and improve cancer outcomes by focusing on early detection; screening and educating the communities we serve. He’s passionate about people. He’s passionate and desires to improve the quality of life of all those he interacts with! He strives to be positively impactful in this role, department, organization and ultimately the world through his work!
